

## CREDITS

This extension's browser icon is an edit of Garrett Knoll's creation found here:

<https://thenounproject.com/term/text-cursor/49668/>.

The css in the popup page was adapted from the tutorial found here:

<http://tobyho.com/2011/02/25/making-a-morning-checklist-out/>.

The popup page uses Pantone 2016 Color of the Year "Serenity".

To do list functionality was implemented with help from <http://code-maven.com/todo-in-html-and-javascript>.

Special characters were dealt with using a function from

<http://stackoverflow.com/questions/1787322/htmlspecialchars-equivalent-in-javascript>.
